

CERES RETROGRADE 2024

Planner Workbook

The Dark Pixie
ASTROLOGY

Which house(s) in your natal chart will the Ceres retrograde occur in?

What parts of life do these houses rule?

Notes: If you're using Whole Sign houses, the Ceres retrograde will tour one house, the house that falls in Capricorn. If you use a different house system, the retrograde will likely tour 2 houses. The retrograde starts at 21 degrees Capricorn and ends at 7 degrees Capricorn.

What is the potential impact on you?

*see the included extras

Keep the energy of Ceres retrograde in mind:

- slowing energy
- needing more nourishment and support
- digging into issues that contribute to insecurity
- karmic energy

What potentially negative developments could occur related to the Ceres retrograde your natal houses? What potential issues may you need to work on?

How can you prepare for that?

*Note: Think about the current issues you have related to the house(s) the Ceres retrograde will tour and this can be where you need to prepare for little things to pop up.

What potentially positive developments could occur related to Ceres retrograde touring your natal houses?

How do you feel thinking about these things happening?

How can you prepare now to make these happen?

Pick one or two of the positive developments possible and list the steps you need to take in order to make them happen. Remember that Ceres retrograde lasts for about 3 1/2 months, so that's about how long you can work on this. Plan:

STEP 01

STEP 06

STEP 02

STEP 07

STEP 03

STEP 08

STEP 04

STEP 09

STEP 05

STEP 10

Note on the houses:
