

JUPITER IN GEMINI

Planner Workbook

The Dark Pixie
ASTROLOGY

Which house(s) in your natal chart will transit Jupiter in Gemini tour?

What parts of life do these houses rule?

Notes: If you're using Whole Sign houses, Jupiter in Gemini will tour one house, the house that falls in Gemini. If you use a different house system, Jupiter in Gemini will mostly likely tour 2 houses (look for the house cusp that is in Gemini and it'll be in that house at some point, and start in the house BEFORE). If you have no house cusps in Gemini, Jupiter in Gemini will tour the house that has Taurus on the house cusp.

What is the potential impact on you?

*see lesson 3 of the e-textbook

Keep the energy of Jupiter in mind:

- expansive
- opportunities
- new experiences
- exploration
- higher learning
- big thinking
- optimism
- big picture
- beliefs

What potentially negative developments could occur related to Jupiter touring your natal houses? How could potential laziness and indulgence lead to issues?

How can you prepare for that?

What potentially positive developments could occur related to Jupiter touring your natal houses?

How do you feel thinking about these things happening?

How can you prepare now to make these happen?

Pick one or two of the positive developments possible and list the steps you need to take in order to make them happen. Remember Jupiter is in Gemini for a year, and you can focus on your goal(s) for the next year. Plan:

STEP 01

STEP 06

STEP 02

STEP 07

STEP 03

STEP 08

STEP 04

STEP 09

STEP 05

STEP 10

Note on the houses:

- 1st house rules the self and new beginnings
- 2nd house rules money, values, stability, security
- 3rd house rules communication, community, neighborhood, the mind, short travel, learning
- 4th house rules the home, family, emotions, and internal foundation
- 5th house rules who and what you love, romance, children, hobbies, creativity, and attention
- 6th house rules work, daily life, health, habits, routine, structure, order, and pets
- 7th house rules the people in your life, relationships, commitments, compromise, fairness, justice, balance
- 8th house rules money involving other people, transformations, what you hold deep inside, intimacy
- 9th house rules higher learning, long travel, writing, teaching, speaking, marketing, expansion
- 10th house rules goals, ambitions, life path, responsibilities, authority figures
- 11th house rules friends, groups, hopes, dreams, the future, change, individuality, innovation
- 12th house rules what's hidden, the subconscious, endings, karma, intuition, spirituality

THE SUN

What aspect does Jupiter in Gemini make to your natal Sun?

Which house in your natal chart does your Sun reside?

Which house(s) in your natal chart does your Sun rule?

Notes: The aspects for Jupiter in Gemini are conjunction (Gemini), semisextile (Taurus & Cancer; you can use them like sextiles and trines), sextile (Aries & Leo), square (Virgo & Pisces), trine (Libra & Aquarius), quincunx (Scorpio & Capricorn; you can use them like squares and oppositions), and opposition (Sagittarius). The house(s) your natal Sun rules is the house that has Leo on the cusp. If none of your houses have Leo on the cusp, your Sun is co-ruler of the house that has Cancer on the cusp.

When will Jupiter make this aspect to your Sun?

*see lesson 6 of the e-textbook

Note areas of life that may be impacted by what the Sun rules, the house it resides in, and the house(s) it rules in your natal chart:

*The Sun rules the true self, physical body, and can focus on new ventures.

What potential developments could occur related to Jupiter aspecting your natal Sun?

How can you prepare now to make this positive and beneficial?

Set beneficial goals related to Jupiter aspecting your natal Sun and brainstorm how you can make this happen:
