NEPTUNE RETROGRADE 2024

ANARETIC NEPTUNE IN PISCES MAY 2ND TO SEPTEMBER 4TH

This supercharges the energy of the planet, so we're looking at even foggier energy. Can be especially strong around the turn retrograde since that occurs at the anaretic degree.

List any planets or bodies in your natal chart you have at 29 degrees, what they rule, and how you can work with them during Neptune retrograde:

Need to:

- ground yourself
- strengthen intuition
- make productive use of imagination
- have healthy boundaries
- show compassion

Any natal planets or bodies at 29 degrees of any sign can get triggered in a big way, so give extra attention to them.
